

INNOVATIVE

EMPLOYER SOLUTIONS

Sometimes a solution presents itself. Sometimes it's the perfect solution. Innovative Employer Solutions – a name synonymous with partnership, trust, reliability, and success – is the key. We diligently work with companies every day to increase the ease, accuracy, and profitability of their businesses. Reduce the stress. Increase your profits. Use Innovative to help guide you through the tough employer issues such as healthcare reform or staying in compliance with employment laws.

SIMPLIFY LIFE WITH INNOVATIVE'S SINGLE SOURCE SOLUTION

Payroll Options – Tired of doing payroll in-house or with inflexible payroll companies?

- Add control and flexibility back into your payroll process, while getting payroll right the first time
- Put an end to high cost service companies, payroll companies, and PEOs
- Have your taxes paid in an efficient and timely manner with no worry
- Obtain access to low cost workers' compensation with no down payment

Benefits – Frustrated in dealing with insurance companies?

- Let Innovative administer and pay your benefit plans – never talk to an insurance company again
- Understand your requirements under healthcare reform
- Reduce your payroll taxes by utilizing a Section 125 plan
- Establish a robust low cost 401k plan to lower your taxes and save for your future

HR Administration – Concerned with the current employment law environment?

- Acquire expert assistance in keeping up with regulatory changes and requirements
- Obtain immediate advice on how to properly handle employee issues
- Receive a legally compliant employee handbook customized to your business

Online Service – Would you like the ability to access payroll from anywhere in the world?

- Enter and review both HR and payroll information from new hires to paychecks
- Allow employee secure access to online information such as W-2s and pay stubs
- Access not only standard, but also custom reports designed specifically to meet your needs
- Utilize handheld PDAs to review both pay stubs and invoices

Time Clock Systems – Seeking a way to decrease labor costs?

- Reduce employee overpayments due to long breaks, long lunches, early departures, and late arrivals
- Optimize your workforce to reduce actual payroll costs by 2% to 5%
- Save preparation time with effortless integration into Innovative's online payroll system
- Access a hearty assortment of comprehensive web-based time management solutions from your desktop

Whether you have ten employees or thousands, Innovative provides a comprehensive, easy to use solution to help you control your labor costs, minimize compliance risk, and manage employees with ease.
